

# P-LIGHT

Il lampadario P-Light si compone di elementi in cristallo trasparente, interamente realizzati a mano disposti su strutture metalliche e disponibili in due differenti dimensioni: diametro 75 cm e 65 cm. La forma della lampada è realizzata in esclusiva dalla vetreria Vistosi di Murano.

The P-Light chandelier is composed by transparent crystal elements entirely hand made, arranged on metal structures and available in three different sizes: 75 cm and 65 cm in diameter. The Vistosi of Murano glasswork exclusively makes the shape of the lamp.
