

KITE SOFA

design **GamFratesi**
2018

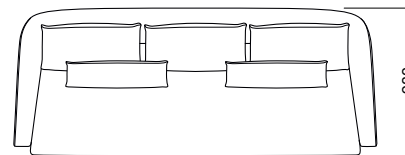

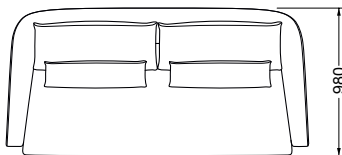

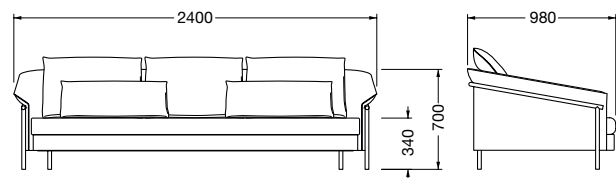

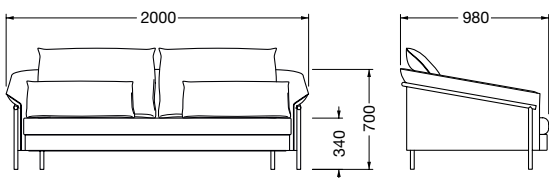

Il divano Kite Sofa a firma GamFratesi si inserisce perfettamente nello spazio living con la sua forma plastica a ventaglio. Volume ampio e compatto, Kite Sofa svela ad un occhio attento i suoi dettagli ricercati: spessori calibrati, proporzioni accurate e l'elegante curvatura della struttura in tubolare, la rendono un pezzo di design contemporaneo che non rinuncia a rifiniture artigianali e citazioni vintage. Kite Sofa è composto da una struttura in tondino metallico verniciato nero o brown ombra, un avvolgente schienale con bracciolo flessibile e un cuscino di seduta, completano il divano cuscini d'appoggio in piuma d'oca. Disponibile nelle due larghezze 2000 e 2400 assicura grande confort con dimensioni compatte.

Kite Sofa by GamFratesi fits perfectly into the living space with its plastic fan shape. Kite Sofa has a wide and compact volume and reveals its refined details to a careful eye: calibrated thicknesses, accurate proportions and the elegant curve of the tubular structure that embraces the internal padding. All this makes it a contemporary design piece that does not renounce artisan finishes and vintage hints. Kite Sofa is composed of a frame in a black or brown ombra stained metal rod, an enveloping backrest with flexible armrests and a seat cushion. The sofa is completed by resting goose down cushions. Available in two widths, 2000 and 2400, it ensures great comfort and a compact size.
